Hello Ms. Reyes,

I received your September 30, 2014 letter re my FOIA request, case number DON-NAVY-2014-009526, for contract M67854-08-D-8029. Your letter indicates that "the contractor Tatitlek Support Services Inc. filed objections against release of all unit and extended prices, dollar values and appropriation amounts as well as miscellaneous itemized documents." This is odd because I represent Tatitlek Support Service Inc. in a pending litigation in San Bernardino County Superior Court Case No: CIV BS1200525 and have been authorized by Tatitlek Support Service Inc. to make this request. Perhaps there was a mix-up of some sort. If that is not the case, then please go ahead and complete the request as is. My client is willing to pay the charges. Also, would there be any way to expedite the process? We have a dispositive motion to be heard on October 16, 2014, and this document has been a major issue of contention in the case. We would really appreciate if we could have a copy of the document(s) by the hearing date. Thank you for your time.
